

Addendum to Master File – Fraudulent Findings

Property: 20588 Upper Hillview Dr, Sonora, CA 95370
Loan Number: 0131003865
Prepared by: Richard G. Strmiska
Date: September 23, 2025

This Addendum supplements the Master File of record. It introduces new evidence, documentation, and digital proof tied to both physical and blockchain-anchored records. All exhibits listed here remain under my certification and authority.

Certification Statement

I, Richard G. Strmiska, certify that the following exhibits, screenshots, and records are true and correct to the best of my knowledge. This Addendum is inseparably tied to the Master File previously submitted. Each exhibit herein is authenticated by me and may be verified through included QR codes and IPFS CIDs.

Exhibits Introduced in this Addendum

Exhibit A	Screenshots of Web3.Storage console showing Root CIDs and timestamps
Exhibit B	Decentralized Identifier (DID): did:key:z6MkkY63391biKW5iL6FygRe5Yu7WUqEnjSzkcUVnBtp2hr4
Exhibit C	USPS receipts with certified tracking of mailed filings
Exhibit D	IPFS upload confirmation screenshots (September 23, 2025)
Exhibit E	QR codes linking directly to DID key storage and GitHub repository branch

QR Code – DID Key Record

Closing Statement

This Addendum is submitted as a permanent part of the Master File. It reflects the integration of traditional notarized filings with decentralized, blockchain-anchored proof. All rights, remedies, and defenses are reserved, without prejudice.

Respectfully,

Richard G. Strmiska
20588 Upper Hillview Dr, Sonora, CA 95370
