

Affidavit of Fraudulent Recordings & Notary Irregularities

State of California
County of Tuolumne

I, **Richard G. Strmiska**, a living man, declare the following under penalty of perjury under the laws of the United States of America and the State of California:

1. Property & Standing

- I am the rightful owner of the property at **20588 Upper Hillview Drive, Sonora, California** (APN: [parcel number]).
- I have firsthand knowledge of the matters stated herein.

2. Background

- Since the original Deed of Trust in **May 2013**, multiple documents have been recorded against my property.
- On **July 11, 2025** and **July 15, 2025**, I served certified notices demanding proof of claim and production of the original note. No lawful proof has been provided.

3. Findings of Fraud

Through examination of certified copies received from the Tuolumne County Recorder's Office, I have discovered:

a. Ghost Notaries

- "D.D. Bailey," "Kaylynn N. McDaniel," and "Carolyn A. Henkel" appear as notaries on filings.
- These names do **not** appear in the California Secretary of State database.
- Notarizations by non-existent notaries are fraudulent and void.

b. Forged or Inconsistent Signatures

- The same officer, "Tracie Riggs," appears with materially different signatures across filings.
- This indicates forgery or robo-signing.

c. Jurisdictional Errors

- Tuolumne property records bear notary stamps from Calaveras County notaries.
- This is a jurisdictional defect that invalidates acknowledgments.

d. Physical Tampering

- Multiple sets of staple holes show documents were disassembled and recompiled after notarization.
- This is evidence of alteration or substitution.

e. Beneficiary Contradictions

- Freedom Mortgage is listed as Beneficiary on refinance filings.

- Tuolumne County is listed as Beneficiary on substitution filings.
- Both cannot be true, proving fraudulent assignments.

4. County Refusal

- On [date], the Tuolumne County Recorder's Office refused to record my affidavit, citing Gov. Code §§ 27203 and 27204 but provided no statutory explanation.
- Such refusal constitutes obstruction of lawful recording.

5. Declaration

I swear and affirm that the foregoing is true, correct, and complete to the best of my knowledge.

All names, entities, and corporations listed are **made-up, non-living entities without legal standing** against me, the living man.
