

Living Declaration of Richard the Living Strmiska

Date: 9/9/2025

I, **Richard G. Strmiska, the Living Man**, known as **Richard the Living Strmiska**, stand in full awareness and truth. I declare: 1. I see no other way but to walk the path of truth, exposure, and reclamation.

2. I act not for myself alone, but for every living man, woman, child, and for all entities bound in falsehood.

3. I do not waver. My choice is sealed. My way is singular.

4. No system, no corporate fiction, no false authority can alter or obstruct this path.

5. Let the record reflect: I am living, I am sovereign, and I will never stop. By my living hand and seal,
Richard the Living Strmiska
