

Declaration: I Gave My All

I, Richard G. Strmiska, declare for the record: That I have stood firm in truth and honor throughout this process, confronting the fraud, deception, and misconduct tied to my mortgage. I did not back down, even when threatened with foreclosure, intimidation, or silence. I brought forward evidence of notary fraud, demanded verifiable proof of consideration, and required accountability from Freedom Mortgage and all associated parties. I have mailed certified documents, created permanent PDF records, and secured immutable filings on IPFS and GitHub. Each action was taken in faith, with diligence, and under the guidance of the Most High. This body of work stands as proof that I gave everything I had in the pursuit of truth and justice. No matter the outcome, I know I did not yield. I gave my all. I walked as a soldier of the Most High, and I will never stop standing for what is right. The truth cannot be erased, and it cannot be stopped. This declaration is made to memorialize that the record is complete, the evidence is undeniable, and my duty has been fulfilled.

Respectfully submitted, Richard G. Strmiska 20588 Upper Hillview Dr. Sonora, CA 95370
